

CATTLE SECTION

DEPARTMENT OF AGRICULTURE, FOOD and the MARINE AN ROINN TALMHAIOCHTA, BIA agus MARA

SPECIFIC REQUIREMENTS – CATTLE

Keepers wishing to show cattle in 2023 must obtain a Certificate of Compliance prior to the movement of the animal to the Show. This ensures that the animal (s) in question has the necessary TB, BR and BVD tests recorded on the Department's database and that the keeper presenting the animal is not restricted by the Department.

N.B. The Dept of Agriculture implemented a number of changes on 4th February 2023 which changed the procedures and criteria applicable when applying for Certificates of Compliance for the movement of cattle.

These also impact on the certificate which is required when moving bovine to a Show:

- The movement of cattle to and from an Agricultural Show within the State must be recorded on the Animal Identification and Movement System (AIM).
- A specific Certificate of Compliance for the "Movement of Bovine from a Single Holding to a Show" must now be requested prior to the movement of animals concerned.
- These certificates can be obtained by (i) applying online using their agfood account or (ii) where the keeper is not online the certificate can be generated by the local Regional Veterinary Office following receipt of a NBAS31K with issue of the certificate being subject to normal criteria applicable. This form will be available on the Department's website.
- When applying for this certificate the destination herd / or Show number is not required. The certificate generated will include an "S" symbol.
- This Certificate of Compliance for a Show will continue to be valid for a period of up to 30 days and can be used for the movement of animals to a number of shows during the validity period.

N.B. Calves less than 10 days old cannot be moved to a Show.

On the day of the Show, the Certificate of Compliance should be presented to the Show Secretary along with the bovine passport for the animal. The Show movement should be recorded on the passport.

The Keeper and the Show Secretary will then sign the Movement Notification section of the Certificate which will then be sent to the local RVO for recording onto the AIM System.

Please note that only cattle for which a valid Certificate of Compliance is provided to the Show Secretary will be allowed to be shown on the day of the Show.
